

Invitation to Courses

Molecular Cell Biology I (Half Module Biology)

Instructor: Harald Janovjak

Course Description:

Molecular Cell Biology I is an introductory course on all molecular concepts from biology. We will discuss the structure and function of the cell's building blocks, proteins, lipids and nucleic acids, from a chemical and physical point of view. This course introduces basic knowledge for MCB II and Introduction to Neuroscience I and II.

Course Requirements and Exams:

Lectures and recitations, homework, 75-min-exam at the end of the half-term

Course schedule:

2 weekly 75 min lectures Tuesdays and Thursdays, 1 weekly 50 minute recitation

Course Academic Credits:

3 ECTS

Course Website:

http://pub.ist.ac.at/courses/2011/molecularcellbiology_I/

**Courses start on Tuesday, November 29, 2011 (8.45 -10.00 am)
Seminar Room Mondi 3, IST Austria Central Building, 1st floor**

Please register for the course a week in advance with Academic Affairs (Marie.Trapp@ist.ac.at)

2011-11-29

This invitation is valid as a ticket for the IST Shuttle from and to Heiligenstadt Station. Please find a schedule of the IST Shuttle on our webpage (note that the IST Shuttle times are highlighted in dark green): http://www.ist.ac.at/fileadmin/user_upload/pdfs/IST_shuttle_2011.pdf.

The IST Shuttle bus is marked IST Shuttle (# 242) and has the Institute Logo printed on the side.
